

Plaster dispenser

Art No 95492

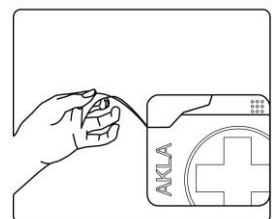

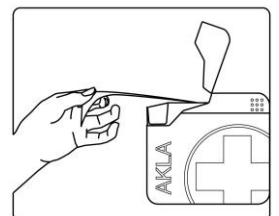

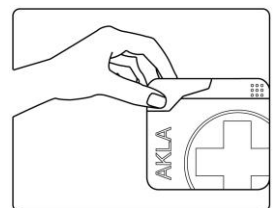

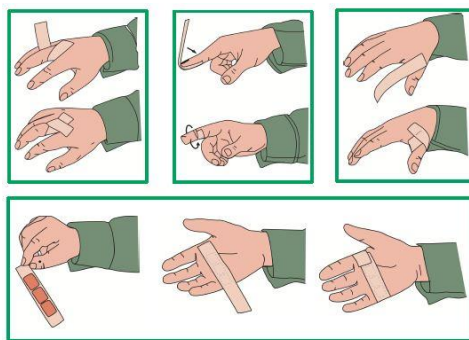

Art No 95495 Blue detectable

With AKLA Plaster Dispenser you can produce your own plaster suited for the wound size and location.

Always available by placed at locations where there is risk of minor wounds.

Filling consists of 10 meters nonwoven tape and 100 wound pads. Pull the tape to length as needed and close the lid and you get the plaster ready to use.

The plaster dispenser is also available with blue / detectable plasters suited for handling food. If you choose blue / detectable, the filling includes 80 wound pads.

Measure 12x11,5x4 cm.

Regular; wound pads 100pcs, 20x25mm

Blue/detectable; wound pads 80pcs, 20x25mm

Tape 10m x 25mm
